## 2009-2010 Team Sponsorship Program

Homewood Flossmoor Swim Club (HFSC) is well respected in the swimming community by hosting more USA Swimming meets on the south side of Chicago than any other club. Our meets draw swimmers from all over the state; from Decatur in the west, Champaign in the south, and Northwestern University in the north. The meets are also well attended by local clubs in neighboring communities.

Since 2000, HFSC has hosted 6 of the last 8 Illinois State Regional Championship meets. This meet draws swimmers from all over Illinois with the focus on a last chance to make a Junior Olympic qualifying time.

During our 2009-2010 fall/winter season, HFSC will be hosting four large meets that you can advertise in.

- |          |  |
|----------|--|
| November | First Chance/Last Chance                           |
| December | St. Nick's Meet                                    |
| January  | HFSC Challenge (400 swimmers)                      |
| February | Make The Cut                                       |
| February | Illinois Regional Championship Meet (600 swimmers) |

In addition to the USA meets we host, HFSC is also a member of the South Suburban Swim Conference (SSSC), which consists of 25 clubs. We have hosted the SSSC Conference meet 5 of the last 6 years.

Our program caters to the Homewood Flossmoor community, but also serves other local areas that do not have a competitive swim program. We are a not-for-profit 501(c)3 organization that is operated by a volunteer Board of Directors.
